

We celebrated National Crime Victims' Right Week during April 23- April 29. The 2023 National Crime Victims' Rights Week theme was Survivor Voices: Elevate, Engage, Effect Change. This year's theme calls upon communities to amplify the voices of survivors and create environments where survivors have the confidence that they will be heard, believed, and supported.

Victims come in all ages and its important to remember that in many cases, elder abuse victims are also victims of crimes.
