

# FRAUD ALERT!

**Remain vigilant regarding COVID-19 Vaccine Surveys.** They may lead you to enter protected personal information i.e. bank, credit, or Medicare information. If you have responded to emails like the one below, please call the **Florida SMP at 1-800-963-5337**. If you're unsure or hesitant on whether or something is a scam. Please reach out to ask for more information. If you are still unsure or uncomfortable about the legitimacy, for security purposes disregard the request.

## Be on the Lookout for COVID-19 Survey Scams

- ☑ Legitimate surveys won't offer money, gifts, or any incentive to take them.
- ☑ Legitimate surveys won't include urgency such as "You must take this survey in the next hour or it will expire."
- ☑ Check links by hovering over them. If they seem long and suspicious, don't click them.
- ☑ Check logos, language, and phone numbers. If anything seems "doctored" or doesn't match what you see on a legitimate vaccine provider site, don't click any provided links.
