2. Enter the percent of the population served by race, sex, disability, and over the age of 40. The population served includes persons in the geographical area for which services are provided such as a city, county or other regional area. Include the source of your population statistics. (“Other” races include Asian/Pacific Islanders and American Indian/Alaskan Natives.)
3. Enter the total number of full-time staff and their percent by race, sex, disability, and over the age of 40. Include the effective date of your summary.
4. Enter the total number of clients who are enrolled, registered or currently served by the program or facility, and list their percent by race, sex, disability, and over the age of 40. Include the date that enrollment was counted.
 - a. Where there is a significant variation between the race, sex, or ethnic composition of the clients and their availability in the population, the program/facility has the responsibility to determine the reasons for such variation and take whatever action may be necessary to correct any discrimination. Some legitimate disparities may exist when programs are sanctioned to serve target populations such as elderly or disabled persons.
5. Enter the total number of advisory board members and their percent by race, sex, disability, and over the age of 40. If there is no advisory or governing board, leave this section blank.
6. Each recipient of federal financial assistance must have on file an assurance that the program will be conducted in compliance with all nondiscriminatory provisions as required in 45 CFR Part 80. This is usually a standard part of the contract language for DOEA Recipients and their Sub-grantees. 45 CFR § 80.4(a).
7. Is the race, sex, and national origin of the staff reflective of the general population? For example, if 10% of the population is Hispanic, is there a comparable percentage of Hispanic staff?

Evidence of such may be indicated in staff and client representation (Questions 3 and 4) and also through on-site record analysis of persons who applied but were denied services or employment. 45 CFR § 80.3(a) and 45 CFR § 80.1.
9.
